Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 31 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells with showers to end the weekend.

This Evening and Tonight:
Daytime showers will gradually fade this evening, leaving a largely dry night with clear spells for most. However, the odd shower is still possible. Feeling colder and fresher than recent nights. Minimum temperature 13 deg C (55 deg F).

Sunday:
Another day of sunny spells and scattered showers, heavy at times and perhaps thundery into the early afternoon. Showers easing in the evening with some late sunshine. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Sunshine and showers to start the week on Monday. Tuesday begins mostly dry but showers develop in the afternoon. Wednesday, expecting similar conditions with heavier showers.
